About Me

Started my programming path in summer 2019. Completed RSSchool courses (JavaScript) in February 2020. Practiced English and quick typing working at SoftSwiss as a Customer Care Specialist (while trying to find a developer job). Started working as JavaScript Developer at Karma in August 2020. Fond of playing drums!

Memories

The Memories app interface features a grid of user posts on the left and a 'Creating a Memory' form on the right.

Posts:

- Znogoud - Parkway Drive (11 minutes ago) - Minsk, 2013. Post includes a photo of the band, a description, and like/dislike buttons.
- Znogoud - Job For a Cowboy (11 minutes ago) - Minsk, 2012. Post includes a photo of the band, a description, and like/dislike buttons.
- Znogoud - As I Lay Dying (11 minutes ago) - Moscow, 2019. Post includes a photo of the band, a description, and like/dislike buttons.
- Znogoud - Dream Theater (11 minutes ago) - Moscow, 2014. Post includes a photo of the band, a description, and like/dislike buttons.

Creating a Memory Form:

- Fields: Creator, Title, Message, Tags.
- File input: Choose file (Dream Thea..._t_06_02.jpeg).
- Buttons: SUBMIT (blue), CLEAR (red).

Memories App

A simple social media MERN application that allows users to post interesting events that happened in their lives.
